HISTORICAL SOCIETY TO MEET MAY 3

On May 3 at the monthly Bethel Historical Society meeting, Mrs. Florence Hastings, who was scheduled to speak at the cancelled April meeting, will discuss and demonstrate painting on tin, and display toleware items.

There will be a business meeting, discussion of memberships and some reports on the Dr. Mason House.

The April issue of the Maine History News carries a two page article on the Dr. Mason House, and the Bethel Historical Society, Marius Peladeau, Project Director of the Maine League of Historical Societies and Museums wrote the article. It is illustrated with a picture of the house prior to the restoration, and two pictures of the Rufus Porter type wall paintings in the upper and lower halls.

Attention of members is called at once to the Third Annual Historic Preservation Symposium to be held May 5 (starting with coffee at 8:30 a. m.) at the Maine State Museum, Augusta. Dr. Curtis is extending the welcome. There will be reports on the Maine Historic Commission, and Maine Museum Commission, and an afternoon panel discussion followed by workshops. The day concludes with a candlelight reception at 4 p. m. at the Fort Western Museum. Reservations are made by check for five dollars (includes box lunch) to be mailed: Mrs. John Rand, R. #2, Freeport, Maine 04032.

Also called to all members attention is the spring workshop of the League of Historical Societies and Museums on May 19 to be held at the new Augusta Civic Center. Mr. Peladeau had advised that Mrs. Carter's Mason House furnishings committee attend this meeting at which some helpful ideas may be obtained.

Elizabeth Carter is attending one day of the Essex Institute's spring lecture series on May 3 at Salem, Mass. Dean Fales, former director of the Institute, and authority on furniture is speaking on early painted and decorated furniture, and there will be some house tours.

Mrs. Carter is a member of the Essex Institute.

All meetings of the local society are open to the public, and guests are most welcome to attend the meetings at the Casco Bank Community Room.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The town trucks will patrol roads May 7 as a part of Spring Cleaning. Leaves, rubble, etc., must be in containers which the owners do not wish returned. All material should be in a conspicuous place accessible by the trucks.

A local contractor has purchased a street sweeper which we hired to go over our streets. All indications are we should be able to cover much more area at approximately the same cost by utilizing this machine. We have many streets which have had little or no sweeping. This slows the operation as it has to unload frequently due to the accumulation of sand.

Next Monday night the selectmen are to award the contract for cleaning the existing sewer lines. T. V. inspection and repair work will be a part of the same contract.

DOLLARS FOR SCHOLARS DRIVE TO BE MAY 4 TO 14

The annual Dollars for Scholars drive will be between May 4 and 14. Contributions may be made to collectors who will visit individual homes or to Roger Conant, Treasurer, Dollars for Scholars, Casco Bank and Trust Co., Bethel.

TELSTAR SENIOR SPRING CONCERT THURSDAY MAY 3

Thursday, May 3, the senior performing groups in the Telstar Performing Department will be giving their annual Spring Concert.

This year things will be run a little differently. First of all we have separated the Junior groups from the Senior groups to make things less complicated. Secondly, we have an added attraction and that is our Stage Band. Since the Stage Band has been doing so well this year we came to the quick conclusion of having them included in our concert.

The concert will be held in the auditorium at Telstar and will begin at 8 p. m. The senior groups have worked hard this year so we hope to see you there to see for yourself. Donations will be accepted. Betsy Davis, music publicity.

S. A. D. 44 BOARD MET AT TELSTAR MONDAY EVENING

The board of directors of S. A. D. 44 met in regular session at Telstar Regional High School on Monday evening of this week.

Several citizens present, parents of current sixth graders, expressed concern with regard to adjustment of their youngsters at Telstar next fall. Especial interest was focused on supervision of free time and rest room areas at the grade 7-8 level.

Telstar Principal Brian Flynn presented the program of studies for 1973-74 and answered questions. Many excellent suggestions were received from those present concerning student orientation and parental communication.

Edward Flynn, Evaluation Assessment Coordinator K-6, presented a recommendation from the assessment steering committee that would utilize the R. C. Foster School in Newry Supt. Basil Kinney endorsed the recommendation as an interim solution to the crowded situation in the Bethel schools. The recommendation of Mr. Kinney would be that grade six of the Bethel schools be housed at the Newry location next year. The board requested that the superintendent supply them with a breakdown of costs, etc., at an early board meeting. (See separate article, page four.)

Mr. Kinney reported the acquisition of a total cost of \$210 of a 1967 International industrial tractor from the Surplus Property War house in Winthrop. The vehicle will be utilized by the District's building and grounds department.

Mrs. Margaret Croche was named as delegate to the Maine School Boards Delegate Assembly in Orono on May 12. Board Chairman John Brown will serve as alternate.

The board confirmed the employment of Mrs. Mary Brown as school secretary at Telstar. Mrs. Brown succeeded Mrs. Sara Treisman who recently resigned.

The board approved the nomination of Miss Adrienne Couture as kindergarten transitional teacher at Woodstock Elementary School for the 1973-74 year. A graduate of Stephens High School in Rumford, she will receive her B. S. degree from the University of Maine Farmington this spring.

Also approved was John Emery as teacher of grade 5 at Casco Park School for the 1973-74 school year. Mr. Emery is a graduate of Brewer High School and holds a B. S. degree from U.M.P. in 1972.

Peter Brown and Gerald Durgan were approved as assistant football coaches at Telstar for the 1973 season.

The next regular meeting of the S. A. D. 44 board will be held at the Andover Elementary School on Monday evening May 7.

PLANS BEING COMPLETED FOR AREA CLEAN-UP DAY SATURDAY, APRIL 28

Plans are being completed for the Bethel Area Clean-up Day to be sponsored by the Chamber of Commerce on Saturday, April 28. Organizations that have pledged their support to pick up litter from roadsides and vacant lots on that day include Girl Scouts, Brownies, Boy Scouts, Cub Scouts, East Bethel Community Club, Gould Academy, and several groups of students and families. Any other families, groups, or individuals interested in helping this effort are asked to contact Andy Wight at 824-2410. Several groups have requested the aid of a truck to follow behind and pick up full bags.

The clean up crews will meet at their leaders' houses or at the Firehouse at 9 a. m. Saturday, April 28, to receive collection bags and area assignments.

JACKSON-SILVER POST #68 RAISING MONEY FOR SUPPORT OF BASEBALL TEAM

Jackson Silver Post #68, Locke Mills, is presently concentrating on money raising projects to support the American Legion baseball team. Over \$1,000 will be needed to provide equipment and services for the team. The first project toward this goal was a benefit dance last week end which earned \$150. This was used to purchase the necessary insurance to cover the boys while playing and while traveling to and from games.

Monetary donations have been received and also donations of time and effort, including those of orchestra members, all of which are very much appreciated.

Another benefit dance is scheduled for May 12.

ELEANOR GORDON GUILD

Ten members of the Eleanor Gordon Guild met for a regular session on Wednesday evening, April 25, at the home of Mrs. Mary Angevine.

Final plans were discussed for the Mother Daughter Banquet to be held on May 18. It was voted to do the "grabs" at the Friday Gift Shop this summer and to donate money to the Methodist Camp Fund.

RATES INCREASE

Beginning May 1, 1973, subscription rates for the Citizen will be \$4.25 per year, \$2.50 for six months, and 70 cents a month. Increased charges for second class mail are the principal reason for the increase. Single copy price will remain at 10 cents. Also effective May 1, will be increases in the rates charged for advertising. The new rates are to be sent to advertisers and are available at the Citizen office. New classified rates are shown on Page 6.

These are the first increases since April of 1966 and are reflective of an almost 90% rise in the U. S. Labor Department's Consumer Price Index in the past five years and a half.

WANTED ATTRACTIVE ACREAGE

Discriminating client desires parcel 35-200 acres, larger acreage preferred. Ideal parcel would be scenic, have lake frontage (or near lake with public access), year round access, lightly traveled road, gravel road considered, end of road preferred. Buildings not desired but would consider land with low cost structure. Will compromise to a degree. Bethel, Locke Mills, Bryant Pond area. Will pay well for right parcel. If you have something attractive, call my office at once.

HEATED AND OPEN YEAR ROUND

GREENWOOD CITY

Mrs. Colista Morgan, Corres.
The frogs are peeping. The swallows are back! Hello, Spring! I know you! You are Spring.
I know by crisp air, By birds that sing:
In the lush new buds Peeping through.
Yes, you're Spring, my friend, I like you!

Dorothy G. Crouch
The morning this week I was awakened to the cheerful notes of the song sparrow. His homespun tune came moments before the sweet notes of the robin. So nice to hear again.

Our pond is high and in the distance the falls and rapids bawl and tumble glad to be free. The sounds and beauty of the day were just so much for me to stay inside. I heard the first birds today. They sang to me of sun and flowers and things of green. Their melodies brought warm breezes that caressed my mind. The winter's gray had just been cast away.

Sandra Coran
I took my boat from its winter bed and with help took it to the pond for its first dip of the season. Just now I heard it give a grateful sigh.
Down pond we sailed, "Nymph" and I toward where? Sanborn River. I had my fish pole so stopped a few times to try my luck even though I knew it was too early to make a catch.

Just ahead of me was a pond water or water strider. We used to call them skippers. He had slept on the mud on the bottom of the pond all winter. During the warm days he floated to the surface. "Spring days are here again," he seemed to say. I saw a small goldfish one of the nimble-footed darters into a pail sometime, and a magnifying glass, and you will see his "hairy shoes". This is the reason he manages to walk on top of the water without sinking. They like quiet waters and gather near the shores. They know that part of the water pantry is full of insect goodies.

Near the mouth of the Sanborn there is a peninsula which I usually go around but today the water was so high I crossed it between the alders. All of them were in their flowering catkins and I brushed against them their soft green powder, as fine as talc between the fingers, danced in the air. I then dusted the water and it looked like molten gold. I fished a few moments here on the river, fished and wondered why I wasn't eager for my bait. I was a long and hungry winter. I was not interested in I rose to stream.

A patch of rolling clouds gave a lot of rich light all over the river and added sparkle to the water. I turned to face Noyes Falls in the background. The river seemed to have the fullness of extraordinary charm. The softness of bark and bark, peaceful the mountain background, made a scene of wild charm and matchless beauty. At a time like this when I am alone, I become aware of the incomprehensibility of existence of space.
On my way back I was aided and guided by the downstream flow. The logs "grated their teeth" in the rapids and a black duck with a green cap his mate stayed in the pool.

A dead branch had appeared resembling deer antlers. A rock looked like a lunch tray. All these little illusions were so close.

I heard up a click three feet in the air. I was suddenly perched by a heavy branch to perform all at once from one end to the other.

Along the mouth of the river and right toward the shore of the pond not far from the falls.

ever floating surface is changing color with the ice thickness. In places it's milk-white, while in others a grayness of much snow. This I had to row through just to see what it was like. The late afternoon of the day before twelve geese stood on the edge of the ice and in the dark water were harbored their reflections.

It was cooler here with breezes off the water so I put my sweater on and started across the pond toward home.

As I anchored NYMPH I could again hear the fine music from the marsh across the expanse of bright blue water which twinkled in the sunshine of a bright blue spring day. I wished that all the world were there to hear and to see.

BETHEL SNOW TWISTERS

At the recent April meeting of the Bethel Snow Twisters, new officers for the coming year were elected. They are: Howard Gunther, president; Arlan Jordrey, vice president; George Gilbert, treasurer; Lola Crockett, secretary. The new executive committee consists of Reggie Godwin, 3 year term; David Crockett, 2 years; Ernest Angevine, 1 year. Barbara Olson was appointed to take care of refreshments.

It was voted to designate \$100 each for Boys State and Girls State. It was also voted to have the American Legion and the Auxiliary choose the delegates we will sponsor when they select their own.

A vote was taken and it was agreed we would hold our summer picnic, Sunday, Aug. 12, again at Spruce Meadows in Grafton Notch. Each is to bring his own food. The club voted to furnish soft drinks for the children. Howard Gunther agreed to take care of this.

It was decided we would only have the Dunking Booth on Mollycoddett Day. If anyone desires to decorate a float they are welcome to.

The club voted to help on Litter Day which is Saturday, April 28. All those who can help please be at the Fire Station at 9 a. m.

David Crockett showed the film, "Stories in the Snow" which was about the snowmobile, wildlife, and conservation.

The next meeting of the Bethel Snowtwisters will be Oct. 15.

RECOMMENDATION WOULD UTILIZE FACILITIES OF NEWRY SCHOOL BUILDING

The following recommendation to the Directors of M. S. A. D. #44 is made public because of the possible effect upon a large segment of the population of M.S.A.D. #44 in that it will affect families in Newry, Gilead, Albany, Greenwood, Woodstock and Bethel. The office of the Superintendent of Schools and individual Directors will be interested in comments and reactions of citizens. The proposal will be on the agenda for the regular meeting of the Board of Directors of M.S.A.D. #44 May 7, 1973, at the Andover Elementary School.

Memorandum to: Board of Directors M. S. A. D. #44
From: Basil E. Kinney, Superintendent of Schools

Subject: Recommendation to open Newry School

A recurring theme expressed in all groups concerned to date with K-6 evaluation and assessment has been time, space and numbers.

At the April 23 meeting of the Board of Directors a recommendation to open the Newry School in the fall of 1973 was presented by Mr. Edward Flynn, Evaluation Assessment Coordinator.

The Superintendent of Schools endorsed this recommendation as an interim arrangement—NOT a permanent solution to the time, space and numbers problem—adding the specific details that the building house for the 1973-74 school year Bethel grade VI, approximately 60 students with two teachers and one teacher aide.

This memorandum is submitted to supply Board members with cost estimates and rationale supporting this recommendation.

Simply stated the choice of grade six sets up the best possible temporary chain to the immediate alleviation of critical housing situations at both Ethel Bissie and Crescent Park. The age of the students suggests easier adjustment. The process would also allow utilizing all Bethel third graders at Crescent Park, further resulting in the freeing of one room in each school for Art and Music and in the chain reaction producing the possibilities of better usage of the library facilities at Crescent Park.

Disturbing traffic through regular first grade classrooms at Ethel Bissie will be eliminated.

The sixth grade together with the possibilities for individualized open instruction suggests an improved transition from grade six to seven.

It does not appear to the Administrator that any other choice would produce so many other benefits.

Additional costs—(No attempt is made here to balance these against other alternatives)

Teacher Aide \$2500.00
Custodian 2000.00
(Part time approx. 20 hrs. per week)

Cardinal supplies 500.00
Heat 1500.00
Light 400.00
Telephone 150.00

Transportation of Pupils 4500.00
and Food
Garbage Disposal 50.00

Total \$11,000.00

Understandably there may be some apprehensions regarding transportation and length of school day. To this office these items are not problems but opportunities!

Except for three or four students from the Bear River area (who would be dropped as they pass on the Newry bus) current transportation to the Crescent Park School would remain as is. At approximately 8:45 a shuttle bus would run from Crescent Park to the R. C. Foster School. Operating on present schedules a vehicle of sufficient capacity is available at C.P.S. to make the run. Our estimate is that all students would be at R. C. Foster at 9:00 a. m. and school would begin promptly. Operating under an open concept with planned Physical Education activities a morning recess period of 15 minutes can be eliminated for this age group. Further the lunch period can be cut from the current one hour to one half hour. There is no difficulty in maintaining a 60 min. class day, as a matter of fact, there may be more actual class time available than now exists at C. P. S. The school day at R. C. Foster would end at approximately 2:40 p. m. the shuttle returning to Crescent Park for regular dismissals from there at approximately 3:00 p. m.

An exciting possibility here is to equip the shuttle bus with a closed circuit T. V. and to provide taped educational programs while in transit. But not included about would be minimal.

Renovations are underway at Oakbury Inn in preparation for re-opening on May 8.

HONORS CERTIFICATES AWARDED BY M. T. A.

More than 1,100 seniors in 112 Maine high schools have been awarded honors certificates by the Maine Teachers Association in recognition of outstanding scholastic accomplishment.

The awards are made by the MTA Academic Recognition Program as an effort to further academic excellence in Maine schools. The certificates are awarded on the basis of test scores submitted by the schools. Presentation to students will take place in the individual schools at special award assemblies.

The Academic Recognition Program also sponsors certificates for outstanding eighth graders and a pin for sophomores.

Among those receiving awards are:

Telstar Regional High School: High Honors—Math, Roger Buck, Michael Davis, Sharon Dombkowski, James Gibson; Honors—English, Pamela Benson, Roger Buck, Michael Davis, Christine Grover, Cathy Howe, Alice Pearson; Honors—Math, Pamela Benson, Belinda Briggs, Margaret Gauthier, Dana Morgan, Glenn Olson, Alice Pearson, Ross Swain.

Gould Academy: High Honors—English, Kevin Jenness, Daniel Lunn; High Honors—Math, Alec DesRoches, Kevin Jenness; Honors—English, Nancy Heald, Peter Meyer, Joan Samuels, Kimberly Siebert; Honors—Math, Deborah Butler, Charles Ewing, Nancy Heald, Garrett Keay, John McArdle, Joan Samuels, George Shaw.

Seaman Larry Fox is spending a leave at his home in town.

Mr. and Mrs. William Von Zint returned Sunday following several weeks in Florida. They were accompanied by Mr. and Mrs. Gary York, who joined them last week.

Their return trip included a drive through the Blue Ridge Mountains of Tennessee and Virginia.

Mr. and Mrs. Malcolm Mundt and Debbie, Mr. and Mrs. Edward Rice and Eddie, Mr. and Mrs. Burnham Rice, William and Shelley all joined an Easter family gathering at the home of Mr. and Mrs. Franklin Kimball, South Paris. Also present were Mr. and Mrs. Clayton Rice and Melissa.

UNITED METHODIST WOMEN
MET APRIL 19

The second meeting of the month of the United Methodist Women was held on April 19 at the home of Ethel Ward.

A program explaining the season of Lent and the meaning of the special religious days celebrated during that time was presented by Minnie Wilson with all present taking part.

The business meeting followed conducted by the president, Sarah Stevens, and opened with a poem "Dare to be Happy."

Some local church activities were discussed and notice given of the Maine Conference U. M. W. meeting to be held May 2 in Waterville. A reception for Bishop and Mrs. Edward G. Carroll will be held at the 9:30 a. m. coffee hour. This is the Bishop's first meeting with the U. M. W. in Maine. Theresa Hoover, New York City, will be the special speaker of the day. Her particular interests are Leadership Development, Program Planning and Community Social Action. Anyone who wishes to attend this meeting and needs transportation should contact Sarah Stevens.

The ladies served delicious refreshments and a social time was enjoyed after the meeting.

The next meeting will be held at Verma Dyke's home in Mayville on May 3. Things pertaining to the opening of the Gift Shop will be discussed at that time. Gladys Croes will present the program. There will also be a Bible Study Hour.

Letters to the Editor

To the Editor,
April 19, 1973

I just came in from picking up pieces of a beer bottle off my front lawn where someone just simply decided to throw it. Needless to say I'm so furious. We took our son to the hospital Monday afternoon to have his knee sewed up, where he cut it open on just such a beer bottle someone threw out.

Just goes to show you how some people are, they have more gall and less pride, or else are too damn lazy to haul off their own garbage and too tight to pay someone else to haul it for them, so they throw it along the highways and turn it in other folks' yards.

A group of us cleaned up the road sides this Spring from Crockets out through to the step can here in Lacke Mills. We did a good job too, but you just take a drive through there today and take a good look.

It is so wonder the young people today are in such an uproar about Air Pollution, Litter and what not. Just what are we leaving for them tomorrow anyway?

CO-OP CORNER

by David Denison

The Co-Op Corner, throughout most of this school year, has been used to tell the stories of the Telstar students who are participating in the Cooperative Education Program. The articles have been well prepared by Suzi Redman, student in the Cooperative Education Program, working as a Journalist at the Advertiser-Democrat. Today we are going to depart from that format in order to review the objectives of the Cooperative Education Program as well as take a look at what has transpired with the program this year.

The program was initiated at Telstar High School this year with three specific objectives: (1) to allow students to explore careers in which they have an interest, (2) to provide on-the-job training in the same career fields, and (3) to teach students to be productive employees, i. e., to learn how to work.

The program is a cooperative venture between the school system and the employers in the area, hence it is called Cooperative Education. By using the resources and skills of the employers, we are able to provide training in a greater number of vocational areas than would normally be possible in any in-school program.

The students participating in the program generally take a reduced course load in school, allowing them to work for the employer during the school day. This is possible because they receive academic credit for participation in the program.

The majority of the students work one or two days a week and attend school the remaining three or four days of the week. Following this direct on-the-job training and experience, the students are able to make more meaningful career decisions and are in a better position to obtain employment or further training in their career field after high school.

When the program was initially approved by the Board of Education and State Department of Education, it was designed for 20 students. To date, there have been a total of 43 students participating in the program, 26 of those students being seniors and 17 juniors.

The students who have participated in the program have received training in a total of 17 different occupational areas including: auto mechanics, bookkeeping, carpentry, clerk-teller, dairy farm hand, electronics, forestry assistant, graphic arts, journalism, kitchen helper, mill worker, nurse aide, retail sales, small engine mechanic, secretary-general, and secretary-medical. Opportunities in these 17 occupational areas were provided by a total of 22 employers without whose interest and willingness to participate, the program would not have been able to operate.

These employers, to whom special thanks is expressed, include the following: The Advertiser-Democrat, Akers Ski, Andover Wood Products, Andrews Nursing Home, Bethel Citizen, Bethel Furniture Stock, Bethel IGA, Casco Bank (Bethel), Communications Satellite Station, Cozy Inn Nursing Home, The Doctors' Offices (Dr. Royal etc.), Don Christen, Ernest Angevine, Harold's Motors, Ledgewood Nursing Home, Mammoth Mart, Middle Intervale Farm, Newton Tobetta, Rumford Community Hospital, Saga Food Service, U. S. Forest Service and Western Auto (Bethel). A special note of thanks is expressed to the Rumford Community Hospital for placing 12 Telstar students through their comprehensive nurse aide training program. The space made available by the Bethel Citizen for these weekly Co-Op Corner articles also deserves a special note of recognition.

In the final analysis, it is the students who have made the program successful. They are the ones who have served as the ambassadors of the program and have put themselves to be willing learners and able employees.

Any questions regarding the program may be directed to David Denison, Cooperative Education Coordinator, at Telstar Regional High School (824-2277).

TELSTAR MUSIC DEPARTMENT NEWS—EXCHANGE CONCERT

This week end Telstar's concert band, majorettes, and stage band will be traveling to Calais for the second half of the exchange concert. As you may recall the first concert was in March.

The whole gang will be leaving from Telstar Friday morning for an early start to Calais. On the way the stage band and concert band will be doing two concerts. At N. Y. High School the stage band will perform and then at in Machias (hometown of the Bangs, our director) with the stage band, then finally we will be in Calais for an exciting week end with the Calais bands. That Saturday evening we will be doing a single concert as was done here in Bethel. —Betsy Davis, music publicity.

SONGO POND

—Mrs. Ralph Kimball, Correspondent

Most of the ice cleared from Songo Pond on Sunday, the rest on Monday. Swimmers yet but a canoe on the pond.

Mr. and Mrs. Herbert Adams and children, Derek and Erin, visited Mrs. Ralph Kimball Saturday night. They were also dinner guests Sunday along with Mr. and Mrs. Dan Salway, Kass and Brandon, and Mr. and Mrs. Allan Swan. Kimball's father-in-law, Jerry Rooney and his wife, Mrs. Kimball, were also there.

Mr. and Mrs. Hugh Awaft of Augusta spent Saturday night and Sunday with the Jesse Doyens. Mr. and Mrs. Marsters York of Williamstown, Vt., spent Monday there.

Earl Keniston spent the weekend with his daughter and family in Winslow.

Mr. and Mrs. Howard Lapham, Timmie and Byron, and Miss Doreen Merrill visited the Walter Doyens in Searsmont over the weekend.

Mr. and Mrs. William Bann and Mr. and Mrs. Jack Greig and children were supper guests Sunday night of the Edwin Garbar in Waterville.

Mr. and Mrs. Laurie Millett and also recent callers of the Bethel Citizens, Mr. Rich of Rich Apolaries, Bethel, came Tuesday to open up the beehives, only to find they had been completely destroyed by a bear. They were located just above the buildings of Mrs. Ralph Kimball.

Mrs. Connie Hindman, Lisa, Lee, Rachel and Mark, left Wednesday morning for their home in Chincoteague, Va., after spending the past week with her parents, Mr. and Mrs. Jesse Doyen.

Mrs. Henry Swan was a visitor and supper guest of the Allan Swan and Mrs. Ralph Kimball, Monday.

Mrs. Ray Jewell of Lovell visited Mrs. Ralph Kimball Wednesday evening.

BETHEL SNOW TWISTERS

At the recent April meeting of the Bethel Snow Twisters, new officers for the coming year were elected. They are: Howard Gunther, president; Arlan Jodrey, vice president; George Gilbert, treasurer; Lola Crockett, secretary. The new executive committee consists of Reggie Godwin, 3 year term; David Crockett, 2 years; Ernest Angervine, 1 year. Barbara Olson was appointed to take care of refreshments.

It was voted to designate \$100 each for Boys State and Girls State. It was also voted to have the American Legion and the Auxiliary choose the delegates we will sponsor when they select their own.

A vote was taken and it was agreed we would hold our summer picnic, Sunday, Aug. 12, again at Spruce Meadows in Gratton Notch. Each is to bring his own food. The club voted to furnish soft drinks for the children. Howard Gunther agreed to take care of this.

It was decided we would only have the Dunking Booth on Mollycrock Day. If anyone desires to decorate a float they are welcome to.

The club voted to help on Litter Day which is Saturday, April 28. All those who can help please be at the Fire Station at 9 a. m.

David Crockett showed the film, "Stories in the Snow" which was about the snowmobile, wildlife, and conservation.

The next meeting of the Bethel Snowtwisters will be Oct. 15.

RECOMMENDATION WOULD UTILIZE FACILITIES OF NEWRY SCHOOL BUILDING

The following recommendation to the Directors of M. S. A. D. #44 is made public because of the possible effect upon a large segment of the population of M.S.A.D. #44 in that it will affect families in Newry, Gilead, Albany, Greenwood, Woodstock and Bethel. The office of the Superintendent of Schools and individual Directors will be interested in comments and reactions of citizens. The proposal will be on the agenda for the regular meeting of the Board of Directors of M.S.A.D. #44 May 7, 1973, at the Andover Elementary School.

Memorandum to: Board of Directors
M. S. A. D. #44
From: Basil E. Kinney, Superintendent of Schools

Subject: Recommendation to open Newry School

A recurring theme expressed in all groups concerned to date with K-6 evaluation and assessment has been time, space and numbers.

At the April 23 meeting of the Board of Directors a recommendation to open the Newry School in the fall of 1973 was presented by Mr. Edward Flynn, Evaluation Assessment Coordinator.

The Superintendent of Schools endorsed this recommendation as an interim arrangement—NOT a permanent solution to the time, space and numbers problem—adding the specific details that the building house for the 1973-74 school year Bethel grade VI, approximately 60 students with two teachers and one teacher aide.

This memorandum is submitted to supply Board members with cost estimates and rationale supporting this recommendation.

Simply stated the choice of grade six sets up the best possible temporary chain to the immediate alleviation of critical housing situations at both Bethel Bixbee and Crescent Park. The age of the students suggests easier adjustment. The process would also allow utilizing all Bethel third grades at Crescent Park, further resulting in the freeing of one room in each school for Art and Music and in the chain reaction producing the possibilities of better usage of the library facilities at Crescent Park.

Disturbing traffic through regular first grade classrooms at Bethel Bixbee will be eliminated.

The sixth grade together with the possibilities for individualized open instruction suggests an improved transition from grade six to seven. It does not appear to the Administrator that any other choice would produce so many benefits.

Additional costs—(No attempt is made here to balance these against other alternatives.)

Teacher Aide	\$2,500.00
Cotidian	2,000.00
(Part time approx. 20 hrs. per week)	
Foodstuffs	500.00
Heat	1,500.00
Light	400.00
Telephone	500.00
Transportation of Pupils	4,500.00
and Food	
Garbage Disposal	300.00
	\$11,900.00

Unfortunately there may be some apprehensions regarding transportation and length of school day. To this office these items are not problems but opportunities.

Except for three or four students from the Bethel River area (who would be dropped as they pass on the Newry bus current transportation to the Crescent Park School would remain as is. At approximately 6:45 a. m. a shuttle bus would run from Crescent Park to the R. C. Potter School. Operating on present schedules a vehicle of sufficient capacity is available at CPS to make the run. The estimate is that all students would be at R. C. Potter at 8:00 a. m. and school would begin promptly. Operating under an open concept with planned Physical Education activities a morning recess period of 15 minutes can be eliminated for this age group. Further the lunch period can be cut from the current one hour to one half hour. There is no difficulty in maintaining a 6-hour class day, as a matter of fact, there may be more actual class time available than now exists at R. C. Potter. The school day at R. C. Potter would end at approximately 2:40 p. m. the shuttle returning to Crescent Park for regular departures from there at approximately 3:00 p. m.

An exciting possibility here is to equip the shuttle bus with a closed circuit T. V. and to provide taped educational programs while in transit. (Cost not included above would be minimal.)

Recommendations are underway at Gilead High in preparation for reopening on May 9.

HONORS CERTIFICATES AWARDED BY M. T. A.

More than 1,100 seniors in 112 Maine high schools have been awarded honors certificates by the Maine Teachers Association in recognition of outstanding scholastic accomplishment.

The awards are made by the MTA Academic Recognition Program as an effort to further academic excellence in Maine schools. The certificates are awarded on the basis of test scores submitted by the schools. Presentation to students will take place in the individual schools at special award assemblies.

The Academic Recognition Program also sponsors certificates for outstanding eighth graders and a pin for sophomores.

Among those receiving awards are:

Telstar Regional High School: High Honors—Math, Roger Buck, Michael Davis, Sharon Dombkowski, James Gibson; Honors—English, Pamela Benson, Roger Buck, Michael Davis, Christine Grover, Cathy Howe, Alice Pearson; Honors—Math, Pamela Benson, Belinda Briggs, Margaret Gauthier, Dana Morgan, Glenn Olson, Alice Pearson, Ross Swain.

Seaman Larry Fox is spending a leave at his home in town.

Mr. and Mrs. William Von Zint returned Sunday following several weeks in Florida. They were accompanied by Mr. and Mrs. Gary York, who joined them last week. Their return trip included a drive through the Blue Ridge Mountains of Tennessee and Virginia.

Mr. and Mrs. Malcolm Mundi and Debbie, Mr. and Mrs. Edward Rice and Eddie, Mr. and Mrs. Burnham Rice, William and Shelley all joined an Easter family gathering at the home of Mr. and Mrs. Franklin Kimball, South Paris. Also present were Mr. and Mrs. Clayton Rice and Melissa.

UNITED METHODIST WOMEN MET APRIL 19

The second meeting of the month of the United Methodist Women was held on April 19 at the home of Ethel Ward.

A program explaining the season of Lent and the meaning of the special religious days celebrated during that time was presented by Minnie Wilson with all present taking part.

The business meeting followed conducted by the president, Sarah Stevens, and opened with a poem "Dare to be Happy."

Some local church activities were discussed and notice given of the Maine Conference U. M. W. meeting to be held May 2 in Waterville. A reception for Bishop and Mrs. Edward G. Carroll will be held at the 9:30 a. m. coffee hour. This is the Bishop's first meeting with the U. M. W. in Maine. Theresa Hoover, New York City, will be the special speaker of the day. Her particular interests are Leadership Development, Program Planning and Community Social Action. Anyone who wishes to attend this meeting and needs transportation should contact Sarah Stevens.

The hostess served delicious refreshments and a social time was enjoyed after the meeting.

The next meeting will be held at Verna Dyke's home in Mayville on May 3. Things pertaining to the opening of the Gift Shop will be discussed at that time. Gladys Cross will present the program. There will also be a Bible Study Hour.

Letters to the Editor

April 19, 1973

To the Editor,

I just came in from picking up pieces of a beer bottle off my front lawn where someone just simply decided to throw it. Needless to say I'm none too happy. We took one trip to the hospital Monday afternoon to have his knee sewed up, where he cut it open on just such a beer bottle someone threw out.

Just goes to show you how some people are, they have more gall and less pride, or else are too damn lazy to haul off their own garbage and too tight to pay someone else to haul it for them, so they throw it along the highways and toss it in other folks yards.

A group of us cleaned up the road along the Spring from Crockett out through to the stop sign here in Lake Mills. We did a good job too, but you just take a drive through there today and take a good look.

It is any wonder the stupid people today are in such an uproar about Air Pollution. Litter and what not. Just what are we leaving for them tomorrow anyway?

CO-OP CORNER

by David Denison

The Co-Op Corner, throughout most of this school year, has been used to tell the stories of the Telstar students who are participating in the Cooperative Education Program. The articles have been well prepared by Suzi Redman, student in the Cooperative Education Program, working as a journalist at the Advertiser-Democrat. Today we are going to depart from that format in order to review the objectives of the Cooperative Education Program as well as take a look at what has transpired with the program this year.

The program was initiated at Telstar High School this year with three specific objectives: (1) to allow students to explore careers in which they have an interest, (2) to provide on-the-job training in the same career fields, and (3) to teach students to be productive employees, i. e., to learn how to work. The program is a cooperative venture between the school system and the employers in the area, hence it is called Cooperative Education. By using the resources and skills of the employers, we are able to provide training in a greater number of vocational areas than would normally be possible in any in-school program.

The students participating in the program generally take a reduced course load in school, allowing them to work for the employer during the school day. This is possible because they receive academic credit for participation in the program. The majority of the students work one or two days a week and attend school the remaining three or four days of the week. Following this direct on-the-job training and experience, the students are able to make more meaningful career decisions and are in a better position to obtain employment or further training in their career field after high school.

When the program was initially approved by the Board of Education and State Department of Education, it was designed for 20 students. To date, there have been a total of 43 students participating in the program, 26 of those students being seniors and 17 juniors. The students who have participated in the program have received training in a total of 17 different occupational areas including: auto mechanics, bookkeeping, carpentry, chef, clerk-teller, dairy farm hand, electronics, forestry assistant, graphic arts, journalism, kitchen helper, mill worker, nurse aide, retail sales, small engine mechanic, secretary-general, and secretary-medical. Opportunities in these 17 occupational areas were provided by a total of 22 employers without whose interest and willingness to participate, the program would not have been able to operate.

These employers, to whom special thanks is expressed, include the following: The Advertiser-Democrat, Akers Ski, Andover Wood Products, Andrews Nursing Home, Bethel Cigarette, Bethel Furniture Stock, Bethel IGA, Casco Bank (Bethel), Communications Satellite Station, Cozy Inn Nursing Home, The Doctors' Offices (Dr. Royal etc.), Don Chretien, Ernest Angervine, Harold's Motors, Lodgeview Nursing Home, Mammoth Mart, Middle River Farm, Newton Tebbets, Rumford Community Hospital, Saga Food Service, U. S. Forest Service and Western Auto (Bethel). A special note of thanks is expressed to the Rumford Community Hospital for placing 12 Telstar students through their comprehensive nurse aide training program. The space made available by the Bethel Citizen for these weekly Co-Op Corner articles also deserves a special note of recognition.

In the final analysis, it is the students who have made the program successful. They are the ones who have served as the ambassadors of the program and have persuaded themselves to be willing learners and able employees.

Any questions regarding the program may be directed to David Denison, Cooperative Education Coordinator, at Telstar Regional High School (824-2027).

TELSTAR MUSIC DEPARTMENT NEWS-EXCHANGE CONCERT

This week end Telstar's concert band, majorettes, and stage band will be traveling to Calais for the second half of the exchange concert. As you may recall the first concert was in March.

The whole gang will be leaving from Telstar Friday morning for Calais. On the way to Calais the stage band and concert band will be doing two concerts. At N. Y. High School the stage band will perform and then again in Machias (hometown of Glen Bangs, our director) with the concert band, then finally we will reach Calais for an exciting week end with the Calais bands. That Saturday evening we will be doing a similar concert as was done here in Bethel.

—Betsy Davis, music publicity.

SONGO POND

—Mrs. Ralph Kimball, Correspondent

Most of the ice cleared from Songo Pond on Sunday, the rest on Monday. No swimmers yet but a canoe on Wednesday.

MAGALLOWAY

Mrs. Bessie Harvey, Corres. — Mrs. Helen Hart of Magalloway returned home from Camden, Friday. She spent the winter there and at Windham. Mr. and Mrs. Ellsworth Stuart of Windham came with her and went home Sunday afternoon.

Harold McGinley of Whitefield, N. H., his son, Bruce, of Manchester, with his two sons, Neal and Owlyn, are here for the first time this year and expect to stay all this week.

Leon Bennett, his son, Russell and wife, Dorothy with Wendy and Stephen, Dorothy's father, Elroy Rideout Jr. and son, Peter, were at Russell's log cabin in Wilson's Mills Saturday. They all reside in Rumford.

My grandson, Frederick Abbott, and family, of Grovelton, N. H., spent Sunday with me. They expect to go to Vassalboro, Maine, next week end.

Mrs. Iver Johnstone is quite ill in the Androscoggin Hospital in Berlin and her husband is ill at home. They are residents of Wilson's Mills.

Mr. and Mrs. Stanley West and their two small children visited his mother, Mrs. Bertha West Sunday. They live in Londonderry, N. H.

My sister, Mrs. Gladys Bennett, called me Saturday evening and said she expects to be home in three weeks. She has spent the winter in Fort Wayne, Ind., with her eldest son, Clinton, Jr., but is quite anxious to come home.

There are only a few patches of snow left and trees are getting small leaves started. Large numbers of birds are here and frogs are singing. It all seems very nice.

Two large moose and several deer have been seen recently near here.

The combined Magalloway and Wilson's Mills schools are having a week's vacation.
